

2021-2022 HVSA Soccer Sponsorships

Dear HVSA Sponsor:

Hello Sponsors! Spring Season is ending this week and it has been wonderful for the players! Hopewell Valley Soccer Association is a part of our community and as a member of HVSA I want to be sensitive to our sponsors' needs and let you know that we value all you do for our players.

We will continue to provide safe procedures for our players, families, coaches, and referees on and off the fields during our game times. We will continue to provide a variety of recreational, instructional, and competitive soccer programs to the children in the Hopewell Valley region in the safest way.

Our programs include the fall, winter (indoor), and spring recreation programs, year-long competitive travel programs, and the Hopewell Academy Soccer Training. The HVSA also continues to be actively involved in supporting sports recreation throughout the area. During this year's sponsorship campaign, we are again offering multiple opportunities to partner with our sponsorships, so that together we can make this a great year of recreational soccer!.

Recreation Team sponsorship is opening alternative sponsorships this year.

We wanted to give every one of our sponsors options that will meet their needs. On the next page you will find our new options that were customized to meet a variety of needs.

Please take a moment to review the information on the following page and complete the information on the last page. Please return your form along with your payment by **Monday, August, 9th, 2021.** **Please note that requests for color and division will be honored in order of the completed form and payment received.**

Thank you again for helping us to make these opportunities for our children to participate in Hopewell Valley Recreation Soccer.

Please call me if you have any questions. If you are experiencing economic hardship, we are here to be flexible and work with you if you would like to continue sponsoring us for the 2021-2022 Seasons.

My best regards,

Samantha Siegelheim
